

WINTERSHARE IS COMING

What is it? A bounteous share of amazing storage crops from Laughing Earth, to help tide you over until next summer season, or at least to make a holiday dinner for the family.

The **Thanksgiving share** is like a regular FarmShare, but MORE. This share is just \$25. Get all the produce you'll need for your big holiday dinner! Squash, potatoes, onions, garlic, kale, leeks, Brussels sprouts ... you can count on at least 10 different kinds of veg.

Then the storage shares begin. The shares are free choice, with members selecting between the available vegetables, which we expect to include potatoes, onions, shallots, winter squash of several kinds, rutabaga, garlic, turnips, beets, leeks, daikon radishes, and watermelon radishes. The available produce will have some variation from date to date.

There are two sizes: a 30# share for \$75 or a 15# share for \$40.

When do I get it? You choose: all six pick-up days, to really keep you fed for winter, or just one or two, if that fits your family better.

11/17 4-6 pm Thanksgiving share without a turkey or 11/18 1-3 pm Thanksgiving share with turkey

12/5/18, 12/19/18, 1/16/19, 1/30/19, and/or 2/13/19 from **12 to 6 pm for the "Free Choice" share**

The day after each pick-up you can get the "Farmer's Choice" pre-boxed share at a time of your convenience.

How do I sign up? Fill out the information on the bottom half of the sheet, detach, and return to us, along with a 1/3 deposit (\$25 per share). You can also sign up at the website: www.laughingearth.farm/winter-share-page.

The balance is due when you pick up. **Act NOW – Shares are limited!**
